

The [View From my Window FB project](#), with 1.4 million (and growing) followers, gives us a glimpse of views from around the world. All this window peeping has caused an emotional stir. Now that you've had time to contemplate, can your home serve you better? Or maybe its just time for a change of scenery?

Speaking of intriguing views, that's what you'll get if you score one of the last homes in the Domus Collection by New Leaf Builders. Located in an established neighborhood, these unique homes feature a private, enclosed courtyard adjacent to living areas for easy, indoor/outdoor flow. There's even an optional private casita, for a detached office or in-law suite. One- and two-story homes from the mid \$300s.

The Nexton community loves our concerts, happy hours and fun runs. So lately, we've been brainstorming new-style "get-togethers." Painting on the Porch was a fun evening of paint kits, canvases and online instruction — followed by virtual shares, likes and comments on each other's masterpieces. We've centered ourselves with yoga on Facebook Live. And cheered each other up with a sidewalk chalk walk. Whether in person or pixels, Nexton knows how to stay in touch.

Foodies, unite for a good cause.

We're lucky to have Nexton Square, and its amazing restaurants. But right now, they could use our support. Please consider purchasing a take-out meal or two. Halls Chophouse ([watch their new video](#)), BKed Donuts, Bad Daddy's Burger Bar, and D'Alessandro's Pizza are here to serve. Not hungry? Donate \$10 to Pay It Forward, who will provide a bag of groceries to a Charleston restaurant worker in need.

We warmly invite you to explore our tight-knit Nexton community — in a socially distant sort of way, of course. Our Greeting House Info Studio is closed for now, but our team is fully available for calls, personal e-appointments, chat and emails. Model homes are open by appointment. **Start exploring here on a virtual tour.**
