

NEXTON IS 2,500 HOMES STRONG.

Ten years in, it's safe to say that Nexton is a thing. That's the technical term for a community with enduring appeal, one that connects it's residents to the world, and each other. People find this comforting when they're making the biggest purchase of their lives — which is true for most of us when buying a home. As Nexton continues to flourish, we're grateful for (and okay, a little bit proud of) the beautiful, walkable, well-rounded community Nexton has become. You don't live here yet? Don't worry, there's still room for you too

HOME, HOME, HOORAY

CELEBRATE APRIL, CHARLESTON-STYLE.

Charleston is beyond beautiful this time of year, so channel your spring fever into these fun-for-all upcoming activities. Paddle through picturesque Cypress Gardens. Shake a leg at the Cooper River Bridge Run. Feast your eyes (and noses) at the Flowertown Festival right here in Summerville. Or catch some world-class tennis at the Charleston Open. Better yet, make a weekend of it with a stay at one of **Nexton's six hotels**.

[ALL THE HAPPENINGS](#)

SERENDIPITY LABS OPENS SOON.

Innovators, start your engines. Serendipity Labs is bringing a variety of workspaces and meeting/event options to the heart of Nexton Square. Just steps from springtime al fresco lunches at our local-favorite restaurants.

Work-away-from-home never tasted so good.

LAB REPORT

Next-level your Nexton knowledge.

Scroll through our latest community brochure for in-depth stories about life at Nexton. From our favorite restaurants to how we're helping the planet.
