Dollars and sense

How life in Nexton just gets better and better

THINK OF IT AS AN INVESTMENT IN LIFESTYLE

Nexton has established a smart, sustainable approach to maintaining and enhancing the community. So as Nexton matures, not only will it be beautifully maintained, it will add parks, gardens, outdoor art, community events and other life-enriching features. Funding comes from the following sources:

THE NEXTON IMPROVEMENT DISTRICT

If you lived in Goose Creek or within the Town of Summerville, you would pay a city property tax that supports local parks and recreational amenities. Since Nexton is located in unincorporated Berkeley County, Nexton residents do not pay city property tax. Instead, they make a similar payment to the Nexton Improvement District currently set at approximately \$400-\$950 annually depending on the neighborhood and phase. The improvement district payment is collected by Berkeley County with their annual property taxes.
