

NEXTON, THE OFFICIAL SPONSOR OF HAPPY HOLIDAY SHOPPING.

We've got you covered with gifts for everybody. Especially you, if you've been craving the gift of time lately. Nexton's right-in-the-neighborhood resources make checking off your list easy. Pick up something beautifully crafted at Art on the Square Gallery. Make your sister's day with a Southern Cuties trendy look. Or fancy up your holiday table with filet mignon and goat cheese mashed potatoes from New York Butcher Shoppe. By the way, foodies, you'll be happy to know that work has begun on our very own Publix and Harris Teeter grocery stores. Woohoo!

HANDY HOLIDAYS

JUST YOUR SIZE

No worries about the fit on this gift. Saussy Burbank townhomes have the expansive, gracious feel of a large home — but in an efficient space. In other words, they're big on style and low on maintenance. Some (**like this one**) are available now to get your 2023 off to a gorgeous new start.

PUT A BOW ON IT

BIG NEWS FOR THE NEW YEAR

Coming in 2023: something for everyone. More community events, shops, homes and amenities. Look for more Midtown in January, with a new phase of homesite releases, offering everything from townhomes to big single-family homes. And exciting new amenities at Del Webb Nexton, including a new poolside bar and grill, event space and pickleball for all.
